The first page of my new notebook and herein I, Deu Tall, shall this year endeavor to keep an informal record of my classes, activities and recreations; of my classmates and my instructors and anything else I may find of interest.

I shall include:

My School . . .

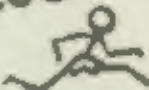

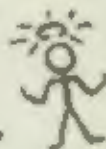

My Classmates . . .

My Sports . . .

My Organized Activities . . .

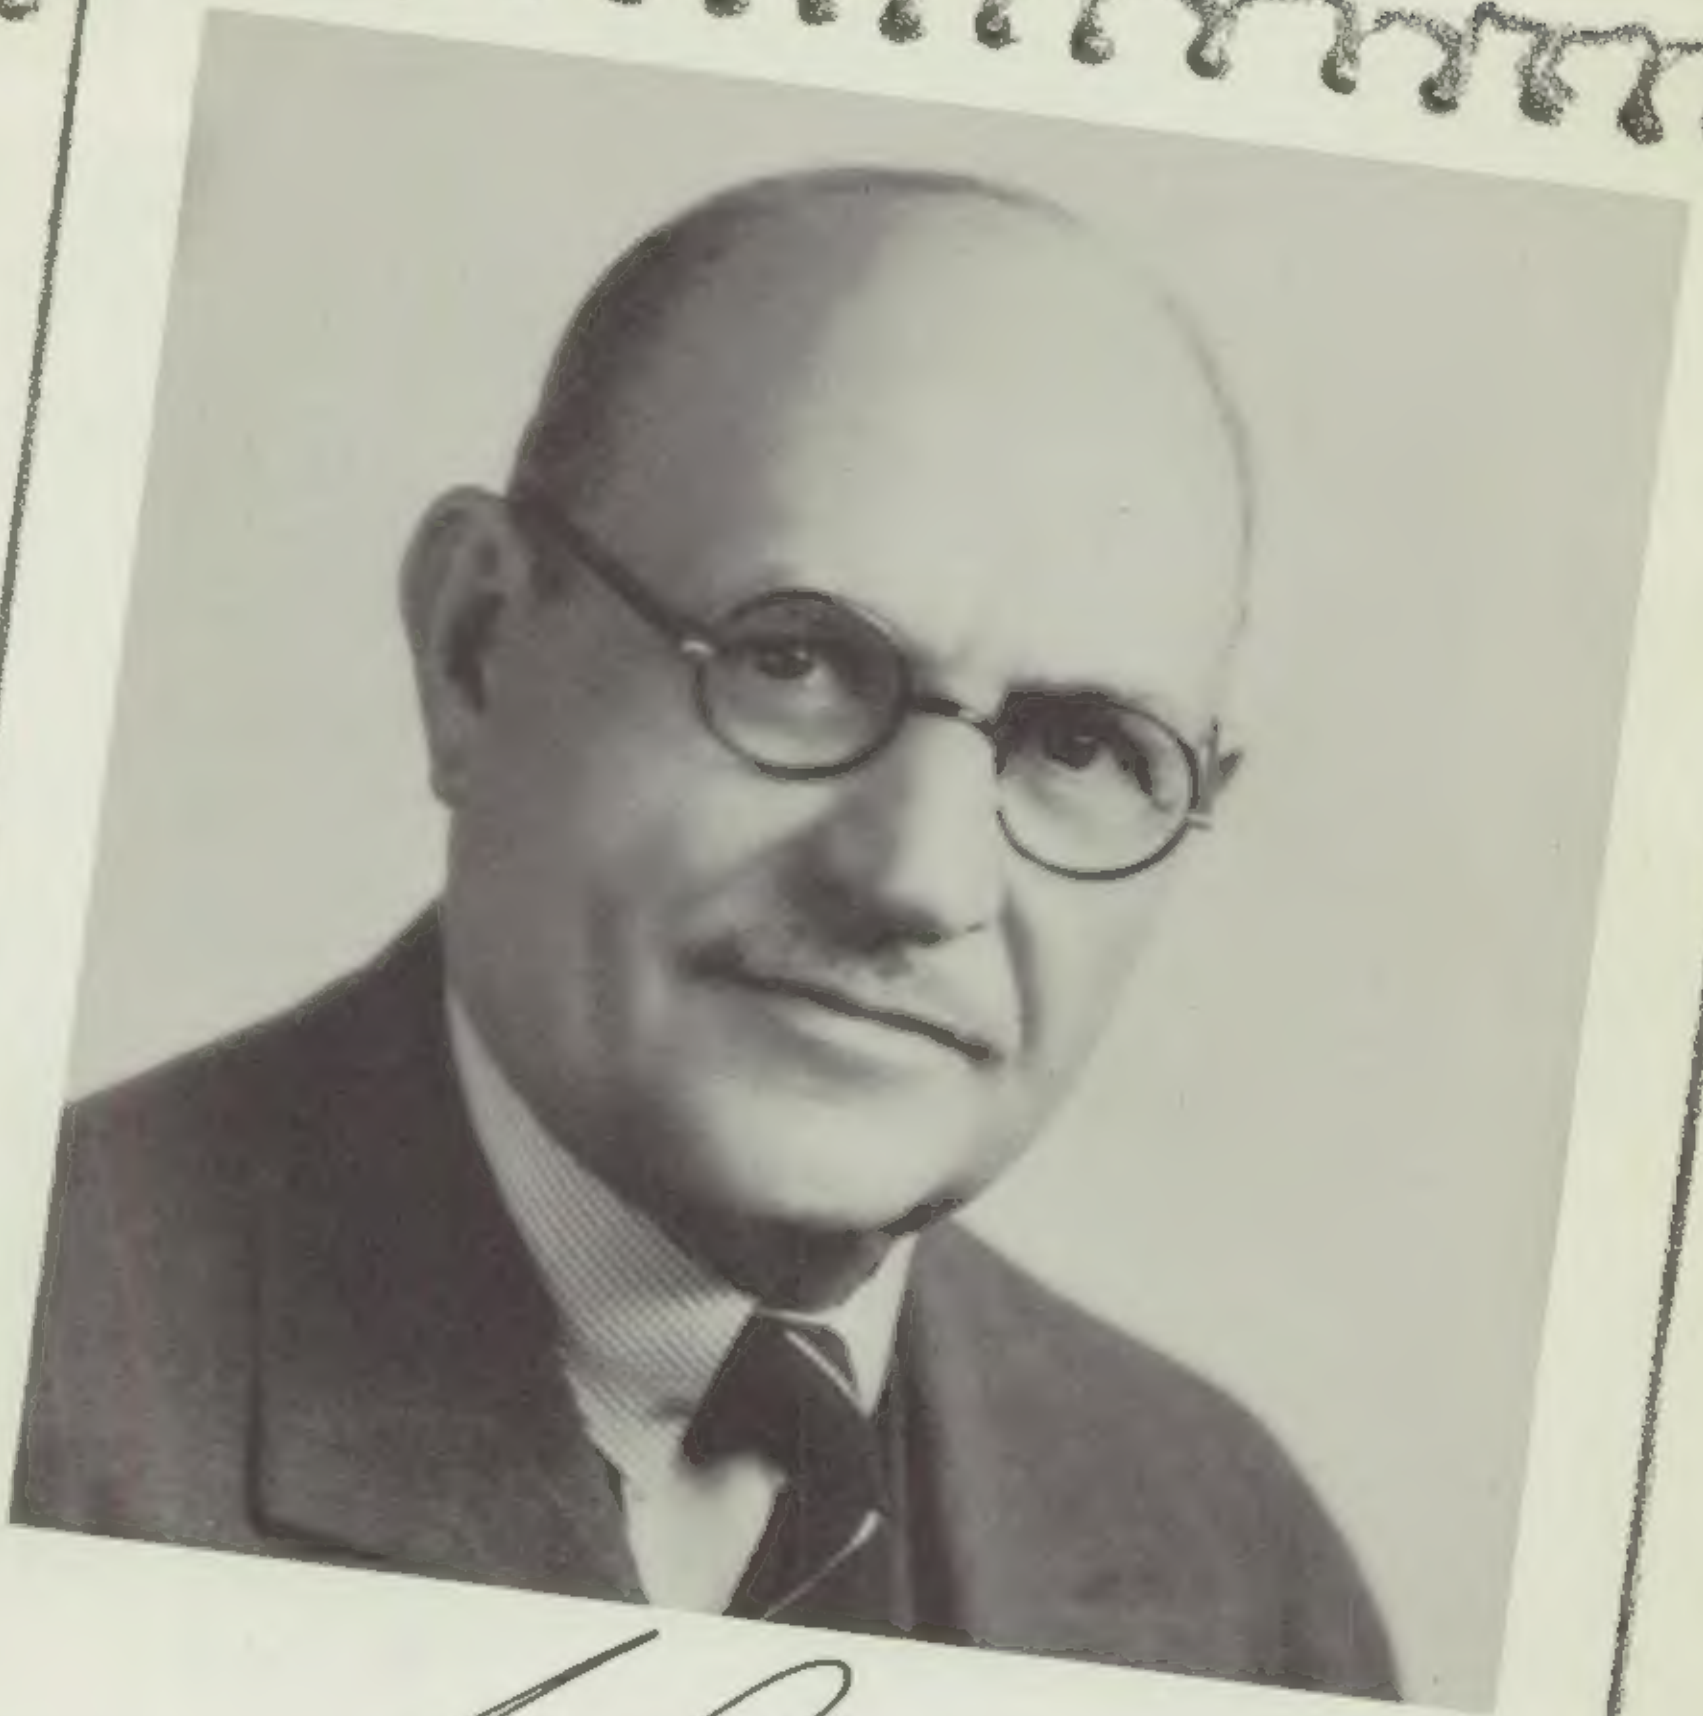

Features

Senior Index

Since "great literary works
usually are dedicated to one
the author holds in high
esteem, I therefore ded-
icate the following pages
from my notebook to the
North High School
Faculty

From them I learned that
teachers are "real people."
While this is a poor and
incomplete eulogy and
does not, of course,
cover all the swell things
that might be said about
them, I shall do better
when I transpose their
lessons of sympathy,
understanding, patience,
and friendliness into
my greater work —
my book of life. . . .

In Memoriam

Sadness fell suddenly upon our school with the passing of our beloved schoolmates Sam H. Hartzell and Tommy Taylor.

Sam's laughing eyes and happy smile warmed the hearts of all who knew him. His radiant personality won him a host of friends.

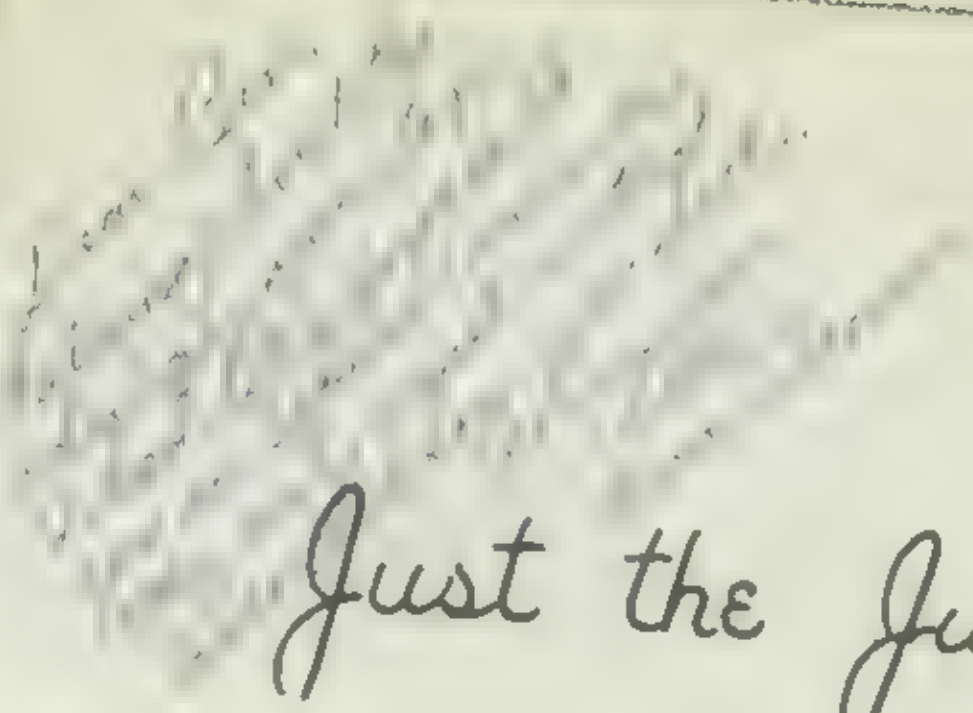

The students suffered further sorrow in the death of Tommy Taylor. The qualities of an ideal American boy were so manifested by Tommy that a definite loss was felt by the entire school.

Viks and Viqueens Enjoy Year of Sports Despite Disappointment in Intra-City Competition

By Ruth Kortz and Frank Paulson

North Vikings came up smiling through defeat a glorious unit of enthusiastic school spirit and fine sportsmanship at the close of the 1939-40 intra-city sport season. After experiencing the glory of championship years the Vikings learned the fine lessons of strength, harmony and sportsmanship through a year of overwhelming competition and discouraging upsets. The year was given a satisfying turn when Coach Miles' men won the city and state championship in wrestling.

After losing twenty lettermen via the graduation route Coach Evans molded a football team that kept the famous North fighting spirit alive although the team won but one game—a 7-0 upset of South on Homecoming Day.

The basketball team was beaten out of a place in the state tournament for the second straight year. The team started out like a champion, winning the first four games, but the play-off game took place against South at West's neutral gym, and the Viks gave all they had but that unfortunately was not enough. Len Alterman won All-City honors with his all-around ability.

Coach H. O. Miles took four returning lettermen and with five inexperienced boys won the city and state championship in wrestling for the second straight year. Miles' proteges were easily the class of the state meet.

Referee's Signals Have Meaning For Fans

Why is the referee going through peculiar motions? That is a question that has been asked by many at a

with three boys Bobba Harval, Lou Brigham, and Stanley Love being chosen All State.

The minor sport teams swimming, tennis and track while not winning many matches gave participants hours of physical training and pleasure. Archery, badminton, ping pong and shuffleboard claimed enthusiasts from both the girls and the boys. Winter sports of skiing and skating and tobogganing ranged high in popularity. North was distinctly sports minded during the past year.

Active participants in the sport life of North the girls cheered the school athletes on and stood staunchly by throughout the season. They excelled in their own activities participating in soccer, basketball, indoor volleyball, badminton, tennis, swimming and all of the mountain sports. As the seasons passed, so each girl found her enthusiasm turning to the activities of the month.

The Play Festival was a highlight of the year. It was held on March 8. North girls took part in the "Flora dora Sextet" and in an interpretation of the machine age.

North Closes Mediocre Season by Dropping Close Decision to West Cowboys 7-0

After holding the highly favored West Cowboys to a scoreless dead-lock for forty five minutes North's defense suddenly loosened long enough to let Bill Snyder hard hitting West fullback score from the three yard line. Captain Jed Roberts added the seventh point from a place kick. The game, closing the season for both teams, was played at D U Stadium on November 30 before some three thousand fans.

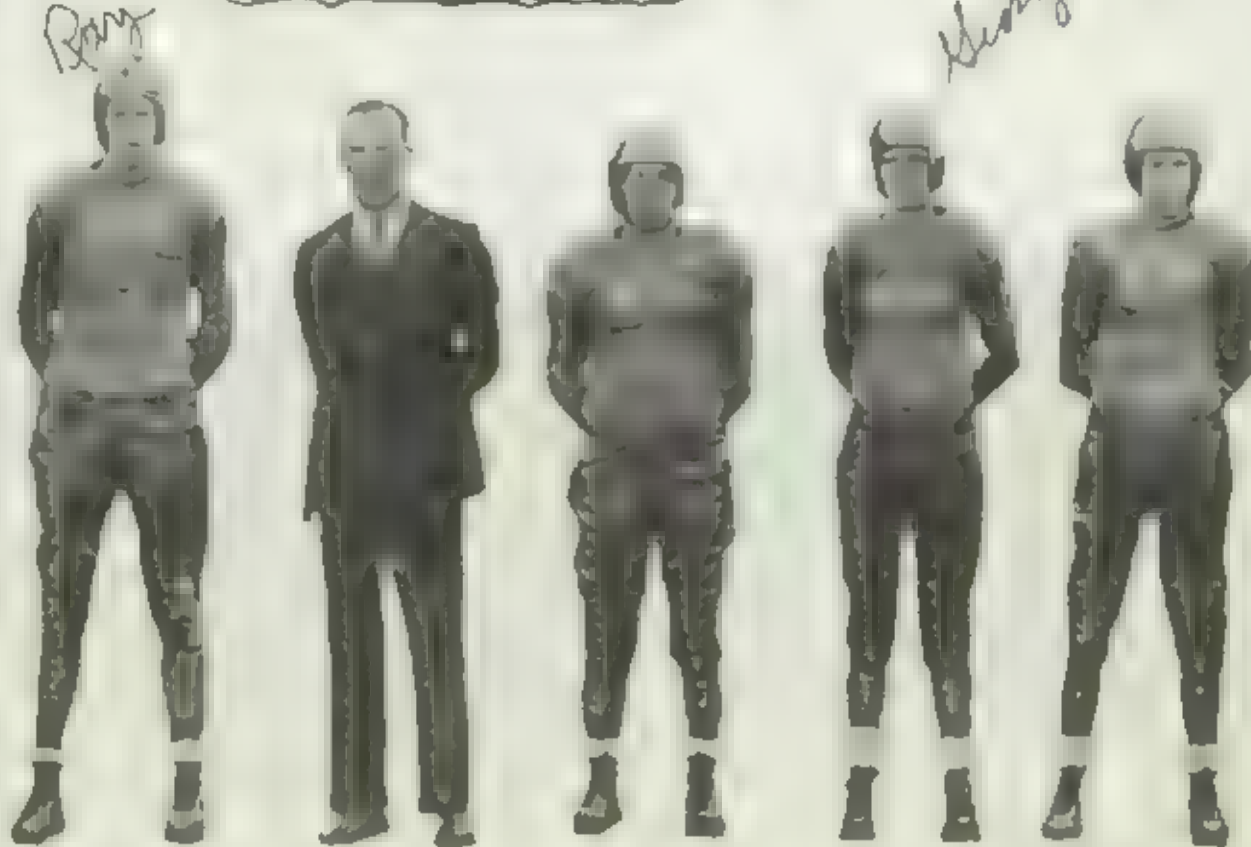

It was a typical finale for the Vikings as the team won but one game, that a 7-0 upset over South. Besides the final loss the Purple and Gold Warriors dropped a previous game to the Cowboys by a score of 39-0. The championship team from East took two encounters from North, 54-0 and 38-0. The Northerners held Manual to a 0-0 deadlock in the second meeting after dropping a 20-0 decision in the first game of the season. The South High Rebels gained ample revenge for the upset by drubbing the Vikings 19-0 in their second meeting.

In all it was rather a miserable season for the rioters of the Vikings whose team went undefeated only last year to rule the prep world on the gridiron. The outlook for next year however is very encouraging with four teen lettermen and a host of promising sophomores due to report to Coach Jack Evans next fall.

South Wins Coveted Meet Place Rebels Nose Out Viks 31-27 Clinch State Tourney Berth

In West High gym a neutral battle field North's valiant basketball team fell before a superior quintet wearing the purple and white of the South High Rebels. The final tally was 31-27.

It just wasn't in the cards for North to enter the State tourney and the Rebels proved it by whipping the Vikings for the second time in four days. This time the Rebels were keyed up for the decisive match while the North players seemed unable to come through when the chips were down.

The game climaxed a rather

disappointing season for the Vikings as they were beaten out of a berth in the state meet for the second straight year. The team started out like a champion's quintet by beating Adams City, Golden, Fort Lupton, Fort Collins, Boulder, Englewood twice, Manual twice, South and West, while dropping games to West two to South and two to East. The outlook next year seems rather bright with several letter men returning to the court wars.

North Routs East Angels to Win Fourth Straight Championship

The Denver High School baseball trophy, symbolic of the finest prep baseball team in the city will remain in the trophy case at North another year as Coach B. O. Moles and his fighting stock men completely routed the East High Angels to insure the championship. The final score, after the Vikes finished pounding base hits to all corners of Merchants Park was 11-8.

The Northerners won their fourth straight championship despite two losses during the regular season. Both of the defeats were at the hands of the

West High Cowboys. The Cowboys took the first game by a score of 5-2 and the second 7-4. The Manual Brooklows tasted defeat as the Champs won both games, the first 4-3 and the second 12-5. South could do nothing with the four time champs as they lost both games 12-2 and 4-3. Besides the final victory the Vikes handed the Angels a 15-2 pasting in their previous meeting.

The outlook for next year is particularly bright but in the fickle world of sports anything can happen and usually does.

1939 saw a new coach, Gerald F. Lacey, take over the reign of track at North and, although a large group of boys reported to the new coach, the season as a whole was not a particularly outstanding one from the won and lost basis. The problems of a new coach are many and the team responded rather slowly to the new system that Coach Lacey introduced. Mr. Lacey's system places the emphasis on the future and teams of North should gain more than their share

of track honors in the coming years.

The 1939 team fared rather badly in intracity competition but won fifth place in the first annual Colorado College Relays as the two mile relay team composed of Bob Castle, Mike Lombardi, Bul Zable and Howard Skehan showed their collective heels to the twenty other schools entered. In the Colorado University Relay, the only Viking to place was Mike Lombardi who finished a strong second.

Vikings Win Wrestling Trophy; Outpoint Grand Junction 29-21; Brigham, Harvat, Love, All-State

For the second straight year the State Wrestling trophy given by Greeley State College to the winner of its annual tournament is again resting in the already overflowing trophy case at North High. The Vikings finished eight points ahead of their nearest rivals, Grand Junction Tigers, the final tally being 29-21.

So completely did the North corners monopolize the meet that three North boys, Captain Louis Brigham, Robbie Harvat, and Stanley Love, were chosen All

State. Rueben Weber, Ed Ian nait, and Earl Evers were pick ed second All State.

The meet climaxed the second consecutive undefeated season for Coach B. O. Moles' matmen. As in 1938, the team walked away with the city championship without exerting any special effort.
